**Menomonie's Community for Veterans receives Rotary grant.**

The Community for Veterans (C4V) provides short-term housing for veterans while attending school, looking for employment or obtaining medical treatment in the Menomonie area. Seeing a need for this type of facility in Dunn County for many years, Earl Wildenberg developed it from a residence that he owned. Private rooms, cooking areas and laundry facilities are available here. This grant award is a \$5,000 match to funds awarded by the Menomonie Sunrise Rotary Club. The \$10,000 will be used to build another apartment at the facility. Over the past 2 years many renovations have occurred at the C4V

home including updates to all three bathrooms and the addition of two bedrooms.

Pictured left to right in the front row is C4V President Earl Wildenberg, and Millie Lenselink-Hague who developed the grant request and are members of the Menomonie Sunrise Rotary Club.

In the back row is C4V Vice President Rick Vanderمولen, C4V Board Member Kathy Vanderمولen, Karen Hebert, Assistant Governor of District 6250 Rotarians and C4V Secretary Terrel Sutliff.

Bolted Stainless Steel Tanks  
Menomonie, WI

## Dean Foods- Harvard, IL

Approaching 10 years and this bolted stainless steel tank looks and functions as good as the day it was built.

### Need more volume?

Expanding up might be the way to go.

after

**2019** Same Tank & Same Location as Original—Increase Tank Capacity with addition of 2-Vertical Rings

24.62' x 25'

(expanded to 89,575 gal)

before

**2010** Original Tank Built

24.62' x 17.33' (62,093 gal)
